Project Initial Recommendations	Vote Counts
EMC-2025-001	14
Fund As Requested	4
Fund with Revised Amounts	2
43900 , about 17% reduction	
I chose this because it is the only undecided option	
Do Not Fund	8
EMC-2025-003	13
Fund As Requested	7
Fund with Revised Amounts	2
I chose this because it is the uncertain outcome	
I don't know that it would be possible, but I would be more comfortable with this proposal if the proponents could reduce the overall funding request to come-in under \$250K	
Do Not Fund	4
EMC-2025-004	14
Fund As Requested	2
Fund with Revised Amounts	1
this answer provides uncertainty desired
