

# PROJECT NAME: GRIST FUEL BREAK

SIZE: 102 ACRES

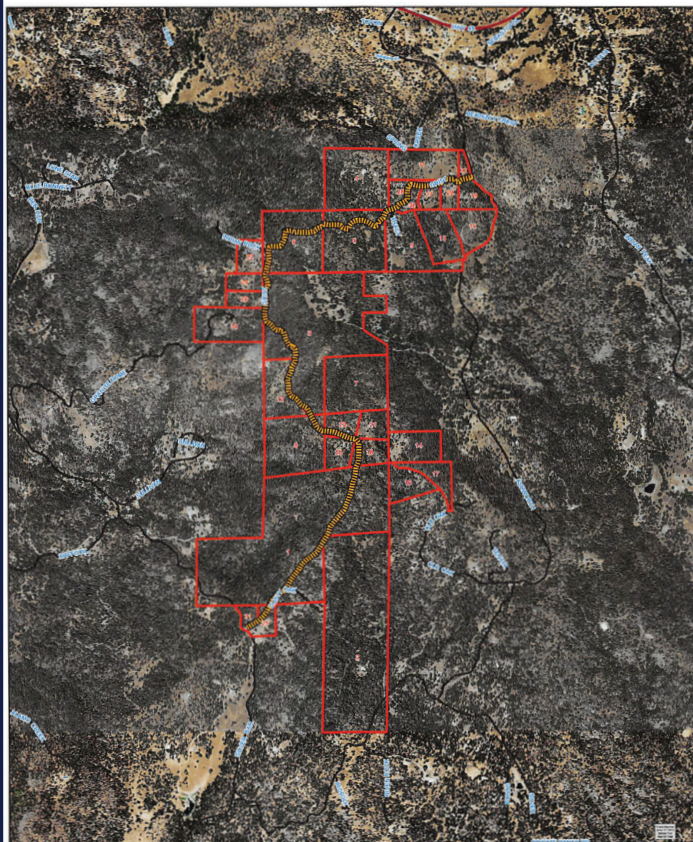

**PROJECTED COMPLETION DATE:**  
12/31/19

**LOCATION:**  
Bootjack, Mariposa County, CAL FIRE  
Madera-Mariposa-Merced Unit.

**Summary:** This project will create a fuel break to reduce the risk of wildfire for the residents of Bootjack. The treatments will improve upon an existing fire road. Brush will be removed and trees will be pruned and thinned. This is a cooperative effort of CAL FIRE, BLM, and local property owners.

**What communities or habitats will project protect?** Bootjack (Population: 969), Mariposa (Population: 2,173), Midpines (Population: 1,204).
