

Displayed before us are the names of our fallen, individuals who selflessly dedicated their lives to support and serve. Each name etched on this memorial represents a profound commitment to a cause greater than oneself. In their sacrifice, we find a testament to the courage and unwavering devotion that defines their legacy. May these names be a solemn reminder of the profound impact and sacrifices made by those who gave everything in service to others.

NAMES OF OUR HONOREES ARE REPRESENTED AT THE CALIFORNIA FIREFIGHTERS MEMORIAL IN SACRAMENTO
