IMPORTANT INFORMATION

Positions located at a Camp or requiring the supervision of inmates requires compliance with the Prison Rape Elimination Act. Compliance is determined by completing a Live Scan prior to appointment and during the course of employment to verify the standards of the Code of Federal Regulations Part 115 Prison Rape Elimination Act National Standards are met.

Pursuant to California Penal Code 4571, any individual interested in seeking employment who may be required to work with inmates at a conservation camp must disclose of any prior felony status up front, so CAL FIRE/CDCR can provide informed consent to a former felon to be on the Conservation Camp/Prison grounds. Any person/employee that has been convicted of a Felony and not received written consent, is committing a Felony.

You may submit an updated Work Location Form **ONE TIME** throughout the hiring process. Updated Work Location Forms may be sent to the following email address: CALFIRECNRHiring@fire.ca.gov and please include 'FAE Hiring - WLF' in the subject line.
