

Tips for Success!

Exam Details

- **Platform:** Exams are now on a new online system called OLEP.
- **Time Limit:** You have 90 minutes to complete the FAE and FC exams.
- **Availability:** Exams are now available 24/7, instead of being open for a full week.
- **No Pausing:** You must finish the exam in one sitting. You can't pause and come back later.
- **Incomplete Exams:** If you don't finish, you may get a default score of 65, which is a failing score.
- **Scoring:** You won't see your exact score. Instead, scores are grouped into ranks, and multiple people can have the same rank.

Tips for Success

- Read every exam bulletin thoroughly.
- Make sure you have a strong internet connection and a quiet place to take the exam, free from potential interruptions.
- Use your time wisely to finish within the 90-minute limit.
- Don't use your browser's back or refresh buttons—they can cause problems.
- Close any extra programs or tabs to avoid technical issues.
- Only log in to the exam on one device.
