

Accepted applicants will be emailed a link to take and submit the exam online.

It is anticipated that the examination will be administered using the online format from **November 13, 2023 – November 19, 2023.**

A TRAINING AND EXPERIENCE NARRATIVE WHICH RESPONDS TO THE FOLLOWING FOUR (4) QUESTIONS:

1. You are working on a 2017 Dodge 2500 pickup that has an electrical draw and the battery goes dead overnight. Explain at least five steps you would take to troubleshoot this problem.
2. You have been tasked to do a 90-day California Highway Patrol (CHP) Basic Inspection of Terminals (BIT) for a 2017 International Class 8 3-axle truck. Describe at least 10 items you would inspect.
3. You arrive to the shop and you realize that a co-worker has left the shop in disarray. Describe at least 4 steps you would take to handle this situation.
4. List at least 10 components of an air brake system.
