RELEASE September 24, 2026
DATE:

Boggs Mountain Demonstration State Forest

COBB, Calif. – CAL FIRE Sonoma-Lake-Napa Unit is announcing the transition to winter season management.

Overnight camping will close for the season on October 1st. The forest will remain open for day use only from sunrise to sunset. Some recreational facilities will be winterized and closed for the season.

Beginning November 1st, forest roads will be subject to temporary closure pending wet weather conditions. The latest conditions will be available by calling the State Forest office at (707)-928-4378.

CAL FIRE reminds forest visitors to plan before arriving and respect signage for public safety while staff is engaged in prescribed fire and other forest management operations on the forest. For more information, call the State Forest office at 707-928-4378 or visit us online at www.fire.ca.gov.
