Speaking at the JAG Meeting Via GoToWebinar

It is highly recommended that all GoToWebinar participants who wish to speak on an agenda item utilize either a landline or mobile phone for audio connection to assure the best connection and experience during GoToWebinar broadcasts.

During the meeting, all webcast participants are muted by the meeting organizer; it is unnecessary for you to mute your phone or device. To indicate your desire to verbally address the members, select the “Raise Hand” icon on the left-hand side of the GoToWebinar interface. The meeting organizer will call you by name and unmute you so you can address the JAG members. An example image of the GoToWebinar interface with the “Raise Hand” icon is in Figure 1 at the end of this agenda. If your comment relates to a particular agenda item, please use the “Raise Hand” tool to indicate your request to comment at the beginning of or during the consideration of that agenda item in order to ensure comments relate to the particular agenda item being discussed. If your comment relates to a topic within the JAG’s jurisdiction and is not otherwise on the agenda, please indicate your request to comment during the Public Forum period, which will occur at the beginning of the meeting. The meeting organizer will manage the queue of comments.

Figure 1. Participant View of GoToWebinar interface. To submit a verbal comment, select the “Raise Hand” icon - it is circled below. Please refrain from submitting written comments via the “Questions” pane (it is in a bold box in the graphic below), as meeting organizers monitor that pane primarily for questions pertaining to technical difficulties with the webcast.
