CWMP Pilot Program Update: San Diego County Fire Protection District in San Diego County

BEFORE

AFTER

CWMP Pilot Program Update:

Shasta Valley Resource Conservation District in Siskiyou County

Batches 1 through– 4 are complete

Batch 5 is in Progress

Batches 6 and 7 are being scheduled

- These batches have been reduced to 3 sites per batch, testing reduced size for manageability

Total 35 Homes complete, 7 in progress

- Work Progress and Spending pace are on track

CWMP Pilot Program Update:
Shasta Valley Resource Conservation District in
Siskiyou County

Shasta County Fire Safe Council in Shasta County

Site Work

- 28 Homes have been completed
 - 3 more to be completed in the next few weeks
- 3 Homes in active construction

EHP

- First Issue property is submitted to FEMA for phase II Review and is pending review

Project Area

- The Community meetings/workshops were effective at generating interest and program participation.
 - 85 attendees and since the event they have received 30 applications and expect more to come.
 - Several applicants reported learning about the program through the workshops.

CWMP Pilot Program Update:

North Coast Opportunities in Lake County

Site Work

- 55 Homes have been reported as completed
- 13 homes in active construction
- 3 going out to bid

Staff

- Entire team has is fully trained and certified to complete home assessments
- Environmental SME/contract
 - Working on annual botanist contract

Project Area

- NCO is promoting a reflective address sign program for eligible homeowners. This complements CWMP MQS and, if homeowners participate, may reduce program costs where signage would otherwise be funded by CWMP.

CWMP Pilot Program Update:

Tuolumne County Office of Emergency Services

Project Updates

- The county is actively working on property assessments and developing their scopes of work.
- The county is preparing to tour the Ponderosa/Mira Monte project area for the upcoming California Wildfire & Resilience Task Force on Friday March 20th, where the CWMP will be in attendance.
- 33 assessments have been completed.
- 10 assessments ready for SOW QA Review, 1 SOW approved from prior CAL FIRE review.
- CWMP and CAL FIRE continue review of the published assessments, ensuring satisfactory implementation, and are reviewing their scopes of work.

Staff

- One part time Assessor and Project/Construction Manager.
- Looking to fill an additional part-time analyst to assist with assessments.

Outreach

- 3 Rounds of mail advertising the program have gone out to the community, which in turn have increased the number of applicants interested.

CWMP Pilot Program Update:

El Dorado County Office of Wildfire Preparedness and Resilience

Project Updates

- The county is actively working on property assessments and developing their scopes of work.
- 18 assessments have been completed.
- 10 assessments ready for SOW QA Review, 1 SOW approved from prior CAL FIRE review.
- CWMP and CAL FIRE continue review of the published assessments, ensuring satisfactory implementation, and are reviewing their scopes of work.

Staff

- One full time construction manager
- Four county assessors

Outreach

- Mailers and door hangers are being sent out to the eligible properties within the project area.

CWMP Authority - Executive Director Report

- CWMP Monthly Status Report
- 2025 Form 700
- General Liability Insurance Acquisition: Golden State Risk Management Authority
