Re: Update request on Blueprint 2020

Dear Chief Coleman;

The California Fire Chief's Association (CFCA) would like to respectfully request an update on Blueprint 2020.

It will soon be 2019 and we will be nearing the completion date of the document. CFCA is very much interested in learning what has been accomplished in the years since the document was published and assisting in updating the document for the future.

Thank you for your consideration.

Sincerely,

Jeffrey Meston  
President  
CFCA
