Looking Ahead – What Water Agencies Can Do

- 1. Ensure Water Supply & Pressure – “Plan A, B & C”***
- 2. Continue & Broaden Tabletops***
- 3. Fire Flow Pressure – Beyond Requirements***

Looking Ahead – What Water Agencies Can Do

1. *Ensure Water Supply & Pressure – “Plan A, B & C”*
2. *Continue & Broaden Tabletops*
3. *Fire Flow Pressure – Beyond Requirements*
4. *Hydrant Spacing – Beyond Requirements*

Looking Ahead – What Water Agencies Can Do

- 1. Ensure Water Supply & Pressure – “Plan A, B & C”***
- 2. Continue & Broaden Tabletops***
- 3. Fire Flow Pressure – Beyond Requirements***
- 4. Hydrant Spacing – Beyond Requirements***
- 5. Hardened Assets***

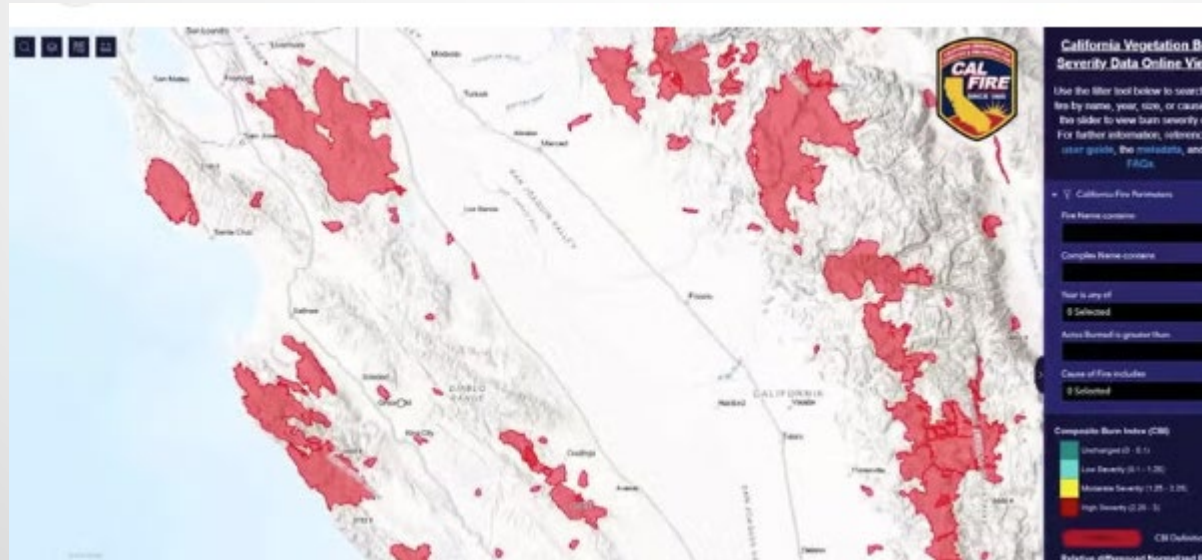

Looking Ahead – What Water Agencies Can Do

- 1. Ensure Water Supply & Pressure – “Plan A, B & C”*
- 2. Continue & Broaden Tabletops*
- 3. Fire Flow Pressure – Beyond Requirements*
- 4. Hydrant Spacing – Beyond Requirements*
- 5. Hardened Assets*
- 6. Legislative & Other Advocacy*

Looking Ahead – Partnership Needed

1. Fire Mapping

Looking Ahead – Partnership Needed

1. *Fire Mapping*
2. *County EOC – Centralized Information for Water*

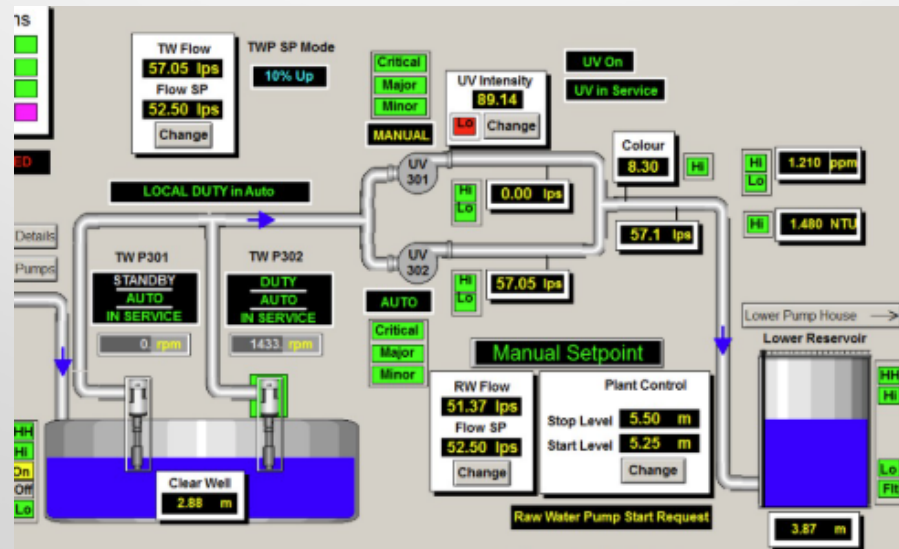

Looking Ahead – Partnership Needed

- 1. Fire Mapping*
- 2. County EOC – Centralized Information for Water*
- 3. Early Wildfire Detection*

Looking Ahead – Partnership Needed

1. *Fire Mapping*
2. *County EOC – Centralized Information for Water*
3. *Early Wildfire Detection*
4. *Access to Assets During Emergency – Utility Workers*

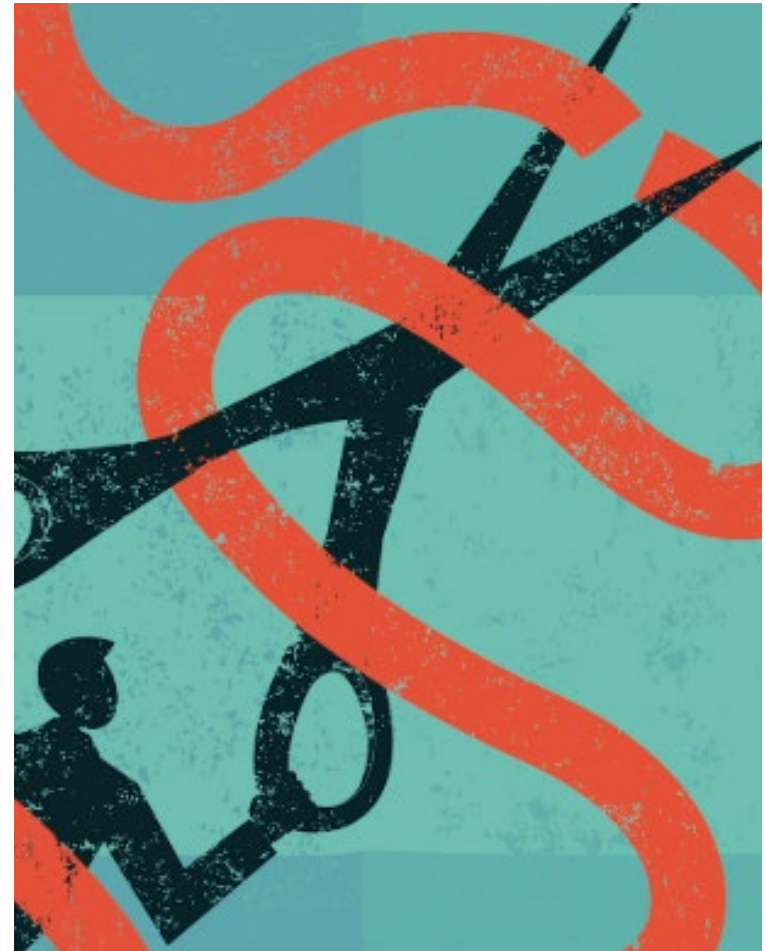

Looking Ahead – Partnership Needed

- 1. Fire Mapping*
- 2. County EOC – Centralized Information for Water*
- 3. Early Wildfire Detection*
- 4. Access to Assets During Emergency – Utility Workers*
- 5. Legislative & Other Advocacy*

Getting to Partnership

- *Recurring Challenges*
- *How Do We Turn These Into Opportunities?*

Your Perspective Requested

Crescenta Valley Water District
