- FAQ
- Statewide FDID List
- Wildland Federal Agency Codes

The CalStats Program posts an updated report after each quarter that shows every fire department's reporting history over the past several years. This report can be used to:

✓ Verify that your department's NFIRS reporting is up to date

✓ Identify any missed quarterly submissions

✓ Check your validation error rate

✓ Confirm that the OSFM database matches your incident counts

✓ NFIRS Reporting Verification

Quarterly Report

To request NFIRS reporting verification for grants or other funding purposes, email:

CAIRS@fire.ca.gov
