

LEARN HOW TO

Plan for Wildfires

West Hollywood, CA, July 24, 2016

Join Us:

For a **FREE TRAINING** that provides an Introduction to Land Use Planning for Wildfires in California.

Who Should Attend?

These all-day, in person trainings are open to land use planners, fire marshals, fire chiefs, fire mitigation specialists, building officials, and other professionals from the public and private sectors who engage in planning, development review, and similar activities in California.

More Information:

Trainings focus on increasing understanding of wildfire vulnerabilities, state planning and regulatory requirements for fire hazard areas, and best practices for wildfire risk reduction.

Trainings are currently scheduled between February and May 2024 across the state. All trainings are held 8:30 am - 4:30 pm.

Space is limited!

Visit www.communitywildfire.org/trainings for additional details and to register.

Funding for this project was provided by the California Department of Forestry and Fire Protection as part of the California Climate Investments Program. For more information about the program, visit the California Climate Investments website at: www.caclimateinvestments.ca.gov
