AES Continuing Education Unit (CEU) Provider List The following document is a list of the Approved Office of State Fire Marshal (OSFM) Continuing Education Courses. A Certified Fire Sprinkler Fitter is required to complete three (3) units/30 hours of continuing education units within a three (3) year period. The CEU requirement is verified by the OSFM every three (3) years at time of renewal. A class may not be re-submitted in a three (3) year period. 1 (one) CEU is equal to 10 hours of participation in an approved continuing education class.
