Form PSD-2104.OOS
Deferral for Out-of-Service Pipeline

Per Title 19 California Code of Regulations (CCR) Section 2104, an operator may request deferral of CBAT regulations for out-of-service (OOS) pipelines that can be shown to have had best available spill prevention technology installed. An out-of-service pipeline may have no hazardous liquid in the pipeline. An operator may submit form PSD-2014.OOS or in another format to defer the implementation of the CBAT. Using the form PSD-2104.OOS is optional, an operator may submit the required information in another format.

Attach all supporting documents to show that the out-of-service pipelines comply with 49 CFR 195.402 (c)(10).
