

Comprehensive Risk Management Programs

Activity 2-1

Format: Group

Timeframe: 3:00

Description

This activity provides students with an opportunity to identify elements of a comprehensive risk management program in order to reduce the number of preventable injuries/accidents and property damage in their organization.

Materials

- A sample comprehensive risk management program
- The Fire Service Joint Labor-Management Wellness-Fitness Initiative, International Associate of Fire Fighters
https://www.iafc.org/docs/default-source/1safehealthshs/wfi-manual.pdf?sfvrsn=7931df0d_5
- Health and Wellness Guide for the Volunteer Fire and Emergency Services, United States Fire Administration
http://www.usfa.fema.gov/downloads/pdf/publications/fa_321.pdf

Instructions

1. Review components and processes of the Fire Service Joint Labor-Management Wellness-Fitness Initiative.
2. Review the United States Fire Administration's Health and Wellness Guide for the Volunteer Fire and Emergency Services.
3. Analyze a sample comprehensive risk management program.
4. Compare and contrast the elements of the sample comprehensive risk management program to the Fire Service Joint Labor-Management Wellness-Fitness Initiative and the Health and Wellness Guide for the Volunteer Fire and Emergency Services.
5. Prepare and present an oral presentation to include specific observations, conclusions and recommendations to present to the class at a time to be determined by the instructor.

Instructor Notes

- The instructor must provide an example of a comprehensive risk management program
- Review the provided URLs in order to provide students with necessary guidance
