

RECIPROCITY INSTRUCTIONS

Fire and Emergency Services Instructor 2 (2019)

Overview

The California Office of the State Fire Marshal (OSFM) Fire and Emergency Services Instructor 2 Certification (2019 edition) is based on the NFPA 1041: Standard for Fire and Emergency Services Instructor Professional Qualifications (2019) set by the National Fire Protection Association (NFPA).

The Fire and Emergency Services Instructor 2 (FESI) Reciprocity Application is for applicants who have an IFSAC and/or Pro Board-accredited FESI 2 certification and are seeking a California OSFM Fire and Emergency Services Instructor 2 Certification through reciprocity.

State Fire Training (SFT) will reject certifications that do not bear the appropriate IFSAC and/or Pro Board seals. Refer to the options below for reciprocity requirements and instructions.

SFT only issues combined IFSAC/Pro Board certifications. SFT will not issue a standalone IFSAC or Pro Board certification to an applicant who already holds a certification from only one of the two organizations.
