

# FIRE FIGHTER (2024 ED.)

## Course Plan Errata

### OVERVIEW

This document aims to provide training providers with a history of changes, corrections, and other errors discovered in the following documents.

### ERRATA

#### Fire Fighter 1A: Structure (2024)

Rev. Date	Page(s)	Description
5/20/25	N/A	NFPA updated the professional qualification standard from NFPA 1001 (2019 edition) to NFPA 1010 (2024 edition). The new Course plan was published in May 2025.
7/23/25	Page 64	The Instructor Notes for Topic 5-12 (Live Fire) incorrectly referenced Topic 5-11 (Thermal Imager), which had been moved to FF2A as Topic 3-5 before STEAC/SBFS approval. Topic 5-11 remains in the FF1A Course as a placeholder, causing a dead end. The reference has now been updated to 'FF2A Topic 3-5'.

#### Fire Fighter 1B: HazMat FRA/FRO (2022)

Rev. Date	Page(s)	Description
5/20/23	N/A	NFPA updated the professional qualification standard from NFPA 1172 (2020 edition) to NFPA 470 (2022 edition). The new Course plan was published in May 2023.

#### Fire Fighter 1C: Wildland (2022)

Rev. Date	Page(s)	Description
05/20/23	N/A	NFPA updated the professional qualification standard from NFPA 1051 (2020 edition) to NFPA 1140 (2022 edition). The new Course plan was published in May 2023.

#### Fire Fighter 2A: Structure (2024)

Rev. Date	Page(s)	Description
5/20/25	N/A	NFPA updated the professional qualification standard from NFPA 1001 (2019 edition) to NFPA 1010 (2024 edition). The new Course plan was published in May 2025.
7/21/25	Page 7	The hours added for Topic 3-5 (Thermal Imager) were not added to that unit total or course total. Unit and course totals have now been corrected.
