

RECIPROCITY APPLICATION INSTRUCTIONS

Fire Fighter 2 Certification

Overview

The California Office of the State Fire Marshal (OSFM) Fire Fighter 2 Certification aligns with NFPA 1010: Fire Fighter II standards set by the National Fire Protection Association (NFPA).

The Fire Fighter 2 Reciprocity Application is for applicants who have an IFSAC and/or Pro Board accredited Fire Fighter 2 certification issued within 10 years of the date of submitting this application and are seeking a California OSFM Fire Fighter 2 Certification through reciprocity. State Fire Training (SFT) will reject certifications that do not bear the appropriate IFSAC and/or Pro Board seals. Refer to the options below for reciprocity requirements and instructions.

SFT only issues combined IFSAC/Pro Board certifications. SFT will not issue a standalone IFSAC or Pro Board certification to an applicant who already holds a certification from only one of the two organizations.

Applicants must complete a Fire Fighter (2024) Certification Task Book and meet California Fire Fighter 2 experience and position requirements before obtaining certification.
