## POTENTIAL AGENCY IMPACTS

Fire agencies desiring to use the Fire Officer 2 (2020) curriculum as a requirement for their recruitment/promotion activities need to review the Fire Officer 2 (2020) curriculum requirements to be sure that all agency training needs are met. After review, fire agencies should update their job specifications and recruitment documentation to reflect these new courses and certification requirements.

Accredited Regional Training Programs (ARTP), Accredited Local Academies (ALA), community colleges, and all other local delivery venues need to review the curriculum and seek approval from their curriculum committee / program sponsor, as appropriate. ARTPs should review the new Fire Officer 2 (2020) curriculum and discuss potential impacts with their advisory committees.
